Subject: Grisham Jr letter concerning McKesson activities at Arkwood

Dear Carlos,

Attached is a letter I'm placing in the mail to you tomorrow. I'm sorry for the formal tone of it, but I need your help please digging down on these issues.

I have been complaining for years now that the Arkwood RPM did not provide adequate supervision to McKesson's activities at Arkwood. I would like to know if the RPM ever once questioned or tested McKesson's data, activities or assumptions regarding the groundwater remediation at Arkwood.

Thank you,

Curt
